

Kippax Parish Council

Risk Management Document

Approved: 21st May 2026

Item: 010/FC/2627c.

Date of Review: May 2027

M Eyre

Chair, Councillor Martin Eyre

- Risk assessment is a systematic general examination of the activities of the Parish Council to enable potential risks to be identified
- The Parish Council, based on the recorded assessment, will take all practical and necessary steps to reduce or eliminate the risks identified
- This document has been produced to enable Kippax Parish Council to assess the risks inherent to its activities and satisfy itself that it has taken all reasonable steps to minimise them

Area:	Identified Risk:	Level of Risk:	Controls:	Action Required:
